**INTERVIEW SUMMARY**

Sir:

Applicant very much appreciates the courtesy extended by Examiner Romain Jeanty during a telephonic interview on Monday, November 24, 2008. The Examiner suggested adding explicit reference to a computer in the claims, as explained in the notice of allowance. We asserted and the Examiner did not disagree that one of ordinary skill in the art would understand, after reading the specification, that the claim already was limited to a computer-implemented invention. As the addition of words that do not change the scope of the claim, as it would properly be interpreted by a court, we had no difficulty agreed to the proposed examiner's amendment.

No prior art was discussed. Claims 1 and 126 were addressed.

**CONCLUSION**

Thank you again for the interview. The undersigned can ordinarily be reached at his office at (650) 712-0340 from 8:30 a.m. to 5:30 p.m. PST, Monday through Friday, and can be reached at his cell phone at (415) 902-6112 most other times.

***Fee Authorization.*** The Commissioner is hereby authorized to charge underpayment of any additional fees or credit any overpayment associated with this communication to Deposit Account No. 50-0869 (BLFR 1005-1).

Respectfully submitted,
